

## **FREE ALTON TOWN FEEDER BUS SERVICES**

### **Park & Ride and Station Link**

**Sunday 19th July 2026**

**Please see the timetable that follows for details of the Free Alton Town Feeder Bus Services that will operate to and from the Alton Bus Rally & Running Day**

**Please observe the following notes:**

- All feeder bus services detailed in these timetables are FREE and will operate on the day of the event only.
- Passengers travel on these services entirely at their own risk and at the discretion of the Driver / Conductor.
- Passengers must obey any instructions given by Drivers, Conductors and Event Marshals.
- No smoking (including e-cigarettes), eating, drinking, E-Scooters or standing passengers are permitted on any vehicle.
- Dogs will only be carried if the Driver / Conductor agrees. (*Assistance dogs will be carried on all services*).
- Pushchairs may only be carried if there is storage space available and they must be folded before boarding.
- We are sorry that wheelchairs cannot be accommodated, unless stated in the timetable, as these services are operated by historic vehicles that were built before the concept of wheelchair accessible buses was conceived, so they do not have a wheelchair space or ramp and they have steps and poles which wheelchairs are unable to negotiate.
